

CABINETRY, MILLWORK, & WOODWORKING

NORTHVIEW HIGH SCHOOL

Pathways Prepare
Vikings For The Future
and Beyond

PATHWAY OVERVIEW

Vikings will have the opportunity to explore careers within the sector and receive an overview of the planning, design, layout, and technical drawing interpretation for practical use in woodworking, cabinetmaking, and millwork. It covers cabinet and furniture styles, wood products and materials, and proper tool selection. Students will be introduced to the different construction processes in the cabinetmaking, furniture-making, and millwork industries.
