UC Application Day

FUTURE READY

One way in helping our students be "Future Ready," is by providing them the opportunity to visit 4-year institutions that they may attend after graduation. Multiple field trips have been arranged to give our students a preview of what being a college student is like.

Next week, a College Night Fair hosted by the Cal State Universities will be hosted in Pasadena. Students will have the opportunity to speak to all the different Cal State representatives to see what they have to offer. Spots for this event are limited, but students may check in with Mr. Ramirez or Mrs. Corona for availability.

The following trips have also been scheduled:

September 25th - Cal State Fullerton & Hope International University

October 6th - The Claremont Colleges

Priority for these trips are granted to 11th and 12th grade students followed by AVID students. If there are spots available, then other students may apply.

STAFF SPOTLIGHT

Mr. Jeff White is the quiet craftsman of our campus! He is our creative and industrially advanced woodworking teacher! He has been teaching at Northview for 17 years. He enjoys our students and really has made Northview his home away from home.

Some would say Mr. White is a vigilante, seeing as how he “patrols” the streets of Covina, ensuring our community is safe.

When Mr. White is not carving out a masterpiece, he enjoys being home with his BFF, Winston, a Bull Terrier who never gives him a hard time.

We thank you for your impact on students and your wheelhouse of experience. You possess the “Grit and Gold” that keeps our legacy strong!

WELLNESS CORNER

Hello, Vikings!

Start your week with a dose of tranquility! Join us at the Wellness Center every Monday morning, starting at 8:05 am, for a calming meditation session.

For Students:

A Message from the Principal

It's incredible to believe that we have already completed our 4th week of school. We have many amazing things planned for our students in the next few weeks. I highly encourage all of our students to participate in our Club Rush this Friday to explore all of the opportunities that Northview has available to get involved and become meaningfully engaged with our school community.

Our average daily attendance took a 1.4% dip to 96.4% this past week. I would like to reiterate the importance of coming to school each and every day. The best learning experience you will receive is in the classroom, and we need you in school every day.

Our tutoring program, led by Mr. Grant, has already started in the Northview Library. Tutoring is available Tuesday through Thursday before school and after school for all subject areas. Please drop by to get support in your classes. Have a great week, Vikings!

SPORTS at the View

Varsity Football won their game against Monrovia High School on Thursday, September 14 with a score of 54-35! This week they will be on the road for their game against Harvard-Westlake on Friday, September 22. JV Football will also be away for their game against Harvard-Westlake on Thursday, September 21.

Varsity Volleyball kicked off the start of their league games with two wins against West Covina and Charter Oak. Volleyball will be home this week for two big rivalry games -- Monday's game against Covina and Wednesday's game against San Dimas.

Varsity Girls Tennis will be home and JV Girls Tennis will be away for their match against West Covina on Tuesday, September 19. Varsity will be away and JV will be home for their match against Charter Oak on Thursday, September 21.

Cross Country is prepping for their first league race at Horsethief Canyon Park on Wednesday, September 20 at 2:00pm.

Good Luck Vikings!

ASB UPDATES

ASB hosted the Welcome Back Luau on Friday, September 15. It was a great afternoon with food, fun, and swimming at the Northview pool!

Next week, ASB will be hosting Club Rush on September 22. Please encourage your children to take this opportunity to explore some of the extracurricular activities available on campus.

A lot of exciting events are going to be here before we know it -- the Homecoming Rally, Football Game and Dance, the C-VUSD Field of Valor, and more. Stay tuned for specifics about each of these events and more as the year progresses!

COUNSELING UPDATES

Counselors are still working to update schedules. If you have a need or concern about your schedule and have not already filled out the Google Form or emailed your counselor, please email your counselor with your concerns and they will reach out to make an appointment. Our first grading window ends on September 28th. Make sure you are working hard and turning in all your work!

Join us as we honor the rich and diverse cultures, histories, and contributions of Hispanic and Latino Americans during Hispanic Heritage Month. From September 15th to October 15th, we come together to recognize the significant impact of Hispanic individuals and their vibrant communities.

Take this opportunity to learn, appreciate, and celebrate the heritage of those whose roots trace back to Spain, Mexico, the Caribbean, Central and South America. Their stories are woven into the fabric of our society, and their resilience and creativity continue to inspire us all.

SAT DAY

We are hosting our annual SAT Day on Wednesday, October 11, 2023. The SAT is an exam that many colleges and universities use as a factor to determine acceptance.

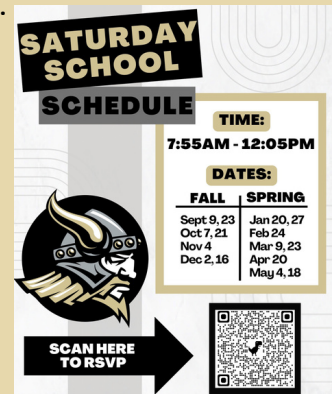

Students are also able to earn scholarship money if they do well. All students will be taking a version of the SAT on that day.

SATURDAY SCHOOL

Need some extra help in any of your classes? Want a quiet place to study? Saturday Academic School is here! This is also a great chance to clear any detention hours you may have.

Please remember that students must clear Saturday Schools in order to attend school-sponsored events like school dances (Homecoming and Prom) and other activities.

100 WINS!!!

Northview football coach Marcel Perez got his 100th career victory in their wild 37-35 comeback win over Covina! Congratulations to Coach Perez!
