## Staff Spotlight

Mr. Francisco Hernandez Salgado is Northview's King of Comfort! He is our new Mental Health and Wellness counselor and you can find him in Northview's new Wellness Center (room M-2).

Although Mr. H. is new to Northview, he has worked in the field of education for 9 years as a teacher, counselor, and a college admissions representative. He returned home to Southern California after spending many years in Massachusetts. Mr. H's favorite thing about Northview so far is all of the students that he has worked with. He says that our students are the kindest, most welcoming souls he's ever had the pleasure of working with.

One interesting thing about Mr. H, is that he was Homecoming Prince in high school and Homecoming King in college! When Mr. H. is not at Northview, he enjoys running, weight lifting, paddle boarding, and cooking. We are thankful for the impact that Mr. H. has had on Northview in his short time with us.

## SAT Day

We are hosting our annual SAT Day on Wednesday, October 11, 2023. The SAT is an exam that many colleges and universities use as a factor to determine acceptance. Students are also able to earn scholarship money if they do well. Ultimately, taking the SAT allows students to get an idea of how college-ready they are. All students will be taking a version of the SAT on that day, please see below:
