Principal's Update

Hello Northview Familia,
I hope that everyone had an incredible Thanksgiving break. Our Viking family remained active over the last week. Our girls wrestling team finished 3rd at the Valley Rumble, our marching band and color guard finished their

competitive season at the South Hills and Moorpark Field Show, and Northview's band director, Mr. Gin, marched in the 2023 Macy's Thanksgiving Day Parade with 400 other band directors from all over the country. We officially have four weeks of school until the end of the semester. The last day of the semester is on Friday, December 22, 2023. We will send updates regarding finals schedule the next few weeks. We will have food, movie snacks, and drinks for sale. We will also have the opportunity to take pictures with Santa, make ornaments, and more!

Future Ready - AVID

This week we hosted a very successful Future Day. All seniors that attended received the opportunity to listen to a presentation from Citrus College, apply to Mt. Sac, and create their FSA ID. Students were then given the option to attend a CSU application workshop, EOP workshop, meet and speak with Career & Technical schools representatives, attend a "Finding your fit" workshop, or meet with admissions counselors from Whittier College, University of La Verne, and Grand Canyon University.

Whittier College and University of La Verne hosted on the spot admissions and many of our seniors got accepted! The day concluded with a UC application workshop from our UCSB admissions counselor. We are proud to say we have many partnerships with our local colleges and Universities that admissions counselors are willing to come to our campus to admit our students! We continue to push for a Future Ready campus and we will continue to provide our students with the opportunities to be successful.

Staff Spotlight

We must never take for granted the patience and dedication of Instructional Aides. One of our Aides, Rosa Angel has proven this year after year. Ms. Angel has been loyal to Northview for 15 years. She is like a true angel, serving countless students and assisting them in academic success. When Ms. Angel is not at work she enjoys working out and dancing. She says she is blessed to be here, but here at Northview, we are blessed to have her.
