## 2021 School Accountability Report Card

### General Information about the School Accountability Report Card (SARC)

#### **SARC Overview**

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <a href="https://www.cde.ca.gov/ta/ac/sa/">www.cde.ca.gov/ta/ac/sa/</a>

For more information about the LCFF or the LCAP, see the CDE LCFF web page at <a href="www.cde.ca.gov/fg/aa/lc/">www.cde.ca.gov/fg/aa/lc/</a>

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### **DataQuest**

DataQuest is an online data tool located on the CDE DataQuest web page at <a href="mailto:dq.cde.ca.gov/dataquest/">dq.cde.ca.gov/dataquest/</a> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### California School Dashboard

The California School Dashboard (Dashboard) <a href="www.caschooldashboard.org/">www.caschooldashboard.org/</a> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

#### **Internet Access**

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

#### 2021-22 School Overview

Barranca Elementary School, built in 1950, is located in the suburban City of Covina in the San Gabriel Valley. The community has accepted the challenge of guiding students from the once largely prosperous citrus-growing community into a new age of a rapidly changing suburban area. Barranca currently has a population of 630 students from diverse neighborhoods in the Covina area. 74% of Barranca students are in the Free and Reduced Lunch Program. A diverse population represents Barranca students with 73% Hispanic, 14% Caucasian, 5% African American, 4% Asian, and 2% Filipino. 12% of Barranca students are English Language Learners.

For more than a century, Covina-Valley Unified School District has served the communities of Covina, West Covina, Glendora, San Dimas, and Irwindale. Covina-Valley Unified School District, established in 1896, serves approximately 12,000 students in Kindergarten through 12th grade on traditional school calendar systems. The District is comprised of nine elementary schools, three middle schools, three comprehensive high schools, one continuation high school, an independent study program, and an adult education program.

Barranca provides several specialized programs to students from Kindergarten through 5th grade. A Gifted and Talented Education (GATE) Program serves 43 students in clustered groups in fourth and fifth grade classes. Every student at Barranca needing instructional support receives it based upon the Response to Intervention Model for English Language Arts, Math, and English Language Development. Small group instruction is provided by classroom teachers, the learning specialist, and instructional aides to help students who are struggling academically. English Language Mainstream students receive instruction from teachers trained in English Language Development (ELD) and Specially Designed Academic Instruction in English (SDAIE). Structured English Immersion students receive ELD, SDAIE, and primary language support. Two special education teachers and a speech pathologist provide specialized academic instruction and/or therapy for qualifying students with special needs. Barranca hosts two transitional kindergarten classes for 4 year old students who will be turning 5 between September 2nd and January 31st. Students learn a modified kindergarten curriculum and transition to a traditional kindergarten program the following fall. Recent legislation has provided for an extension of TK enrollment. Currently C-VUSD has extended TK enrollment through January 31st. Kids Korner, a District Day Care Program, has developed a specialized curriculum to provide an enrichment program after school. Currently, 88 students attend the program located on campus. A student discipline and empowerment program (PRIDE) encourages students to make good choices and become self-motivated and self-disciplined.

#### 2021-22 School Overview

Based on evaluation of student progress, Barranca's programs are reviewed and revised each year. Current focus remains on closing the achievement gap and moving English Language Learners towards proficiency.

A library media center includes a computer lab, research and production center, presentation center, MakerSpace, library, and workroom. A learning specialist assigned to the library media center provides comprehension instruction to non-proficient students and coordinates intervention programs for struggling students. The learning specialist supports the staff by consulting with teachers on appropriate strategies to integrate technology across all curricular areas, collaborates with staff regarding researched based instructional strategies, and serves as a coach to support student learning.

In partnership with Code to the Future, Barranca Elementary is a Computer Science Magnet School. Barranca students have one to one Chromebooks and are learning CODE as their second language. While creating a college going culture, it is essential that Barranca students in grades TK-5 use their 21st Century skills of collaboration, critical thinking, creativity, and communication. Computer Science is a normal discipline in every classroom every day.

An active Parent Teacher Association and strong business partnerships are supportive of the school and contribute to the funding needs of specialized programs. Many teachers serve on district committees and provide leadership roles on curricular issues. Barranca was identified as a California Business for Educational Excellence Honor Roll School in 2009 and 2012. The strong community support and excellent school staff contributed to Barranca School being recognized as a 2004, 2008, and 2012 California Distinguished School, a Gold Ribbon School in 2016, and a Title I Academic Achievement Award School in 2012 and 2016.

#### BARRANCA VISION STATEMENT

Barranca Elementary School, in partnership with parents, students, and our community will provide a safe, nurturing environment that promotes responsibility, accountability, respect and a long-lasting motivation for learning. We will deliver a challenging, balanced academic program enabling students to gain academic excellence, pride through achievement, and the opportunity to achieve their greatest potential.

#### **BARRANCA MISSION STATEMENT**

Barranca Elementary School is a learning community committed to students achieving academic excellence using a rigorous academic curriculum built on a foundation of "effective first instruction" delivered by a highly qualified staff in a safe, nurturing environment. Barranca will serve our community by collaborating with teachers, parents, and community partners. Together as a team, we will prepare students to live, work, and thrive in a highly connected world.

## A. Conditions of Learning

## **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Note: For more information refer to the Updated Teacher Equity Definitions web page at <a href="https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp">https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp</a>

#### 2020-21 Teacher Preparation and Placement

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

## 2020-21 Teachers Without Credentials and Misassignments (considered "ineffective" under ESSA)

### 2021-22 Quality, Currency, Availability of Textbooks and Other Instructional Materials

Covina-Valley Unified School District ensures that textbooks and materials are sufficient, current, and available to each student in all core classes. Covina-Valley Unified School District held a Public Hearing in the fall of 2021 and determined that each school within the District has sufficient and good quality textbooks, instructional materials, and science lab equipment, pursuant to the settlement of Williams vs. the State of California. All students, including English Learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom or to take home. The governing Board approves all textbook adoptions for grades TK-12, which includes verification that instructional materials are aligned with California Content Standards and the State Frameworks.

#### **School Facility Conditions and Planned Improvements**

Barranca Elementary School was built in 1949 with additions built in 1953. Buildings were modernized in 1994. School facilities are situated on 14.3 acres and span more than 45,500 square feet. They consist of permanent and portable classrooms, a multipurpose room, basketball courts, a baseball diamond, a playground, a Library/ Media Center, administrative offices, restrooms, and storage rooms. Improvements at the school include a new air conditioning system, new playground equipment, and new hard court. In June 2008 the entire interior of the cafeteria was painted and the stage was re-varnished. Parking lots were patched and slurry sealed, and all traffic/parking markings and curbs were painted. All portable classrooms had carpet installed during the summer of 2014. The facility strongly supports teaching and learning through its ample classrooms and playground space.

#### **B. Pupil Outcomes**

#### **State Priority: Pupil Achievement**

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

#### **Statewide Assessments**

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

- 1. Smarter Balanced Summative Assessments and CAAs for ELA in grades three through eight and grade eleven.
- 2. Smarter Balanced Summative Assessments and CAAs for mathematics in grades three through eight and grade eleven.
- 3. California Science Test (CAST) and CAAs for Science in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

#### SARC Reporting in the 2020-2021 School Year Only

Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

#### **Options**

Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

#### Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2019-2020 data cells with N/A values indicate that the 2019-2020 data are not available due to the COVID-19 pandemic and resulting summative test suspension. The Executive Order N-30-20 was issued which waived the assessment, accountability, and reporting requirements for the 2019-2020 school year.

The 2020-2021 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-2021 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-2021 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-2021 school year to other school years.

The 2019-2020 data cells with N/A values indicate that the 2019-2020 data are not available due to the COVID-19 pandemic and resulting summative testing suspension. The Executive Order N-30-20 was issued which waived the assessment, accountability, and reporting requirements for the 2019-2020 school year.

For any 2020-2021 data cells with N/T values indicate that this school did not test students using the CAASPP Science.

### **State Priority: Parental Involvement**

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

#### 2021-22 Opportunities for Parental Involvement

Parents and the community are very supportive of the educational program at Barranca Elementary School. Numerous programs and activities are enriched by the generous contributions made by the following organizations:

- Parent Teacher Association
- Office Depot
- Walmart
- Southern California Edison
- Target
- In-N-Out
- Chili's
- Shakey's Pizza
- Starbucks
- Islands Restaurant
- Covina Sunrise Rotary Club
- Covina Breakfast Lions Club
- Operation Santa Clothes
- Assistance League of Covina Valley
- Christ's Church of the Valley
- Christ's First Baptist Church of Covina

The school holds many events throughout the school year in which parents and community members can become involved. These events include Parent Education Nights, Family Tile Night, Family Harvest Festival, Academic Decathlon, Barranca Bonanza, and Parent Teacher Association (PTA) meetings and events. Parent Education Night topics include: accessing Internet Based Academic Support and Family Literacy. The Bronco e-News, PTA newsletter, and various publicity flyers are sent home throughout the year to keep parents informed of these events.

Parents who wish to participate in Barranca Elementary School's leadership teams, school committees, and school activities,

## **State Priority: School Climate**

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

#### Suspensions and Expulsions

This table displays suspensions and expulsions data collected between July through June, each full school year respectively. Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

Subject	School 2018-19	School 2020-21	District 2018-19	District 2020-21	State 2018-19	State 2020-21

Expulsions	0.00	0.00	0.09	0.00	0.08	0.00

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-2020 suspensions and expulsions rate data are not comparable to other year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to other school years.

#### 2021-22 School Safety Plan

Safety of students and staff is a primary concern at every school throughout the District. Each school complies with laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. The school's disaster preparedness plan includes steps for ensuring student and staff safety during a disaster. Fire and disaster drills are conducted regularly throughout the school year. Each school annually participates in the "Great California ShakeOut." The school's Safe School Plans are reviewed annually by a law enforcement officer (usually our School Resource Officers from West Covina and Covina Police Departments). The document is "fluid" and updates are completed as needed. For example, updates are completed if a school discipline policy is added or modified, changes are made to the campus map, additions and/or modifications are made to the telephone trees, etc. All visitors must check in at the school office and wear a visitor badge while on school grounds. During lunch, recesses, and before and after school, staff members supervise students and school grounds, including the cafeteria and playgrounds, to ensure a safe and orderly environment. The Comprehensive School Safety Plan was developed by administrators, other school staff members, and Los Angeles County Office of Education staff members. It is reviewed, approved, and evaluated by the School Site Council in cooperation with local law enforcement in order to comply with Senate Bill 187 of 1997. The plan provides students and staff a means to ensure a safe and orderly learning environment. Components of the Comprehensive School Safety Plan include the following: child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe ingress and egress from school, sexual harassment policy, and suspension and expulsion policies. The plan is reviewed annually with school staff. An updated copy is available to the public at the school and District Office.

## 2020-21 Local Accountability Report Card (LARC) Addendum

## Local Accountability Report Card (LARC) Addendum

2020-21 Local Accountability Report Card (LARC) Addendum Overview

On July 14, 2021, the California State Board of Education (SBE) determined that the California Department of Education (CDE) will use the SARC as the mechanism to conduct a one-time data collection of the LEA-level aggregate test results of all school's local assessments administered during the 2020–2021 school year in order to meet the federal Every Students Succeeds Act (ESSA) reporting requirement for the Local Educational Agency Accountability Report Cards (LARCs).

Each local educational agency (LEA) is responsible for preparing and posting their annual LARC in accordance with the federal ESSA. As a courtesy, the CDE prepares and posts the LARCs on behalf of all LEAs.

Only for the 2020–2021 school year and the 2020–2021 LARCs, LEAs are required to report their aggregate local assessments test results at the LEA-level to the CDE by populating the tables below via the SARC. These data will be used to meet the LEAs' federal requirement for their LARCs. Note that it is the responsibility of the school and LEA to ensure that all student privacy and suppression rules are in place when reporting data in Tables 3 and 4 in the Addendum, as applicable.

The tables below are not part of the SBE approved 2020–2021 SARC template but rather are the mechanism by which these required data will be collected from LEAs.

For purposes of the LARC and the following tables, an LEA is defined as a school district, a county office of education, or a direct funded charter school.
