2021 School Accountability Report Card

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at www.cde.ca.gov/ta/ac/sa/

For more information about the LCFF or the LCAP, see the CDE LCFF web page at www.cde.ca.gov/fq/aa/lc/

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2021-22 School Overview

Ben Lomond Elementary School is located in the City of Covina between the cities of Glendora and West Covina. Ben Lomond Elementary School opened in 1955 and it was modernized during the 1994-1995 school year. Beautification projects continue on campus and include a new mural, cafeteria renovation and two gardens. Ben Lomond has an enrollment of approximately 440 students in grades TK-5. There are eighteen General Education classrooms, three Deaf Hard of Hearing classes, one primary Specialized Academic Instruction classroom, and one upper grade Specialized Academic Instruction classroom. The school is part of the Covina-Valley Unified School District, which includes nine elementary schools serving grades TK-5, three middle schools serving grades 6-8, three comprehensive high schools, and one alternative school. Ben Lomond Elementary School provides students with learning opportunities focused on developing each student's knowledge and skills in literacy, science, social studies, computer science, technology, engineering, the arts, and math. Ben Lomond is recognized as a school that offers students a rigorous and well-rounded curriculum and a high quality character development program. Ben Lomond was recognized as a 2018 California Distinguished School and also received the following awards: California Exemplary Arts Education Award, California Exemplary Physical Activity, Nutrition Education Program, and Title I Academic Achievement School.

Ben Lomond is comprised of various diverse groups. The language fluency population of students is as follows: Initially Fluent English Proficiency students 3.9%; Reclassified Fluent English Proficiency students 11.2%; English Language Learners 13.3%; and English only students 71.6%. The socio-economically disadvantaged student population is 79%. Students at Ben Lomond have a diverse ethnic heritage represented by 78% Hispanic, 7% White, 5% Asian, 4% African-American, 4% Filipino, 1% Multi-Ethnic, and 1% Native American students. Approximately 3% of the student population participates in the Gifted and Talented Education (GATE) program, and 15% of students receive special education services. Ben Lomond Elementary is a Title I Schoolwide Program school.

Ben Lomond's teaching staff includes general education teachers, special education teachers, instrumental/choral music teachers, physical education teachers, and a Title I Specialist. All teachers are credentialed and have assignments within their credential authorization. Advanced degrees are held by 84% of the certificated staff. All teachers hold CLAD certificates. Additional personnel include the school principal, secretary, office clerk, custodians, food service staff, instructional aides, school helpers, and playground supervisors. In addition, a psychologist, behavior specialist, health aide, school nurse, speech and language pathologist, and adaptive physical education teacher are available to provide support in meeting the academic and social-emotional needs of the students. A crisis response team is also available. Support and resources are available for

2021-22 School Overview

McKinney-Vento families and members of the foster youth. Think Together is offered during after school hours for students in grades 1-5. It is a free after-school program that provides students with learning opportunities beyond the school day. Kids Korner provides before and after school care for a fee for students in grades TK-5.

In partnership with Code to the Future, Ben Lomond Elementary is a Computer Science Magnet School. Ben Lomond students have one to one Chromebooks and are learning CODE as their second language. While creating a college going culture, it is essential that Ben Lomond students in grades TK-5 use their 21st Century skills of collaboration, critical thinking, creativity, and communication.

Ben Lomond's essential priority is to increase the achievement of all students in the area of English Language Arts (ELA), in the area of mathematics, and in the Core. The school community also places an emphasis on the development of a college-going culture for all students, on character education, on STEAM (Science, Technology, Engineering, the Arts, and Math) learning opportunities, and on an increase of parent involvement. The school's student-centered educational program empowers students to develop academically, emotionally, and socially for the purpose of achieving academic success. Grade level teams of teachers collaborate to analyze data and to provide appropriate targeted instruction to accelerate student learning. The Title I Specialist provides focused enrichment in English Language Arts to students. Furthermore, Ben Lomond meets the needs of all students by teaching concepts effectively the first time that they taught to students, by implementing a Response to Intervention plan, which addresses universal support, as well as strategic and intensive intervention. Programs that are being codified at Ben Lomond include: Focused Schools, i-Ready Reading and Math, Thinking Maps, and Write from the Beginning and Beyond. Ben Lomond's staff members collaborate at high levels to ensure that all students are receiving an exceptional education.

BEN LOMOND VISION STATEMENT

Our vision is for all students and community members associated with Ben Lomond Elementary School to be scholars. Scholars want to achieve, learn, cooperate, and accept responsibility through the development of self-discipline and leadership in our diverse school community.

BEN LOMOND MISSION STATEMENT

Our mission is for all students to develop responsibility, achieve literacy, learn problem-solving skills through a rigorous curriculum, and become lifelong learners in a safe and nurturing environment. This is achieved through the reciprocal relationship between Ben Lomond Elementary School and the community, which includes students, staff members, parents, businesses, and public agencies.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

2021-22 Quality, Currency, Availability of Textbooks and Other Instructional Materials

Covina-Valley Unified School District ensures that textbooks and materials are sufficient, current and available for each student in all core classes. Covina-Valley Unified School District held a Public Hearing in the fall of 2021 and determined that each school within the District has sufficient and good quality textbooks, instructional materials, and science lab equipment, pursuant to the settlement of Williams vs. the State of California. All students, including English Learners are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom or to take home. The governing Board approves all textbook adoptions for grades TK-12, which includes verification that instructional materials are aligned with California Content Standards and the State Frameworks.

School Facility Conditions and Planned Improvements

Ben Lomond Elementary School was built in 1955 and modernized in 1994. Facilities are situated on 9.3 acres and span nearly 43,000 square feet. They consist of permanent and portable classrooms, a multipurpose room, basketball and volleyball courts, administrative offices, restrooms, and storage rooms. Facility improvement projects at Ben Lomond Elementary School include a new Library Media Center with a state-of-the-art computer laboratory, wireless internet and an amplification system installed. In July 2008 parking lots were patched, slurry sealed and all traffic/parking markings and curbs were painted. The campus exterior was repainted and all portable classrooms received new carpet in the Summer of 2014. The facility strongly supports teaching and learning through its ample classrooms and playground space.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

SARC Reporting in the 2020-2021 School Year Only

Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

Options

Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2019-2020 data cells with N/A values indicate that the 2019-2020 data are not available due to the COVID-19 pandemic and resulting summative test suspension. The Executive Order N-30-20 was issued which waived the assessment, accountability, and reporting requirements for the 2019-2020 school year.

The 2020-2021 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-2021 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-2021 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-2021 school year to other school years.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2021-22 Opportunities for Parental Involvement

Parents and the community are supportive of the educational program at Ben Lomond Elementary School. Numerous programs and activities are enriched by the generous contributions made by the following groups and organizations: Ben Lomond's Parent Teacher Association (PTA), Operation School Bell, Operation Santa Clothes, Covina Library, District Children's Center, Covina Police Department, McDonald's, Shakey's, McKinley Children's Center, Covina Sunrise Rotary, In-N-Out, the Bakken Family Grant, and many other local businesses and agencies.

The strong partnership that exists between the school and the community at large is the key to the school's increase in academic achievement. Ben Lomond boasts of an active PTA and parents who volunteer in classrooms and in the Library Media Center daily. Parents participate in Coffee with the Principal meetings, the School Site Council, and the English Language Advisory Committee. The school holds many events throughout the school year in which parents and community members can get involved. These events include: PTA family nights, PTA fundraisers, grade-level Parent Education programs, Parent Teacher Association (PTA) meetings, family reading nights, family math nights, the Science Olympiad, service projects, Kindergarten orientation parent meeting, Title I meeting, Back to School Night, Open House, and morning reading time in the library. The Principal's News Bulletin, the Quarterly PTA Newsletter, school-wide phone messages to Ben Lomond families, updated information on the school's website, and various flyers are sent home throughout the year to keep parents informed of these events.

Parents who wish to participate in Ben Lomond Elementary School's leadership teams, school committees, school activities, or become volunteers may contact the school office personnel at (626) 974-4100.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

Suspensions and Expulsions

This table displays suspensions and expulsions data collected between July through June, each full school year respectively. Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

Subject	School 2018-19	School 2020-21	District 2018-19	District 2020-21	State 2018-19	State 2020-21

Expulsions	0.00	0.00	0.09	0.00	0.08	0.00

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-2020 suspensions and expulsions rate data are not comparable to other year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to other school years.

2021-22 School Safety Plan

Safety of students and staff is a primary concern at every school throughout the District. Each school complies with laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. The school's disaster preparedness plan includes steps for ensuring student and staff safety during a disaster. Fire and disaster drills are conducted regularly throughout the school year. Each school annually participates in the "Great California ShakeOut". The school's Safe School Plans are reviewed annually by a law enforcement officer (usually our School Resource Officers from West Covina and Covina Police Departments). The document is "fluid" and updates are completed as needed. For example, updates are completed if a school discipline policy is added or modified, changes are made to the campus map, additions and/or modifications are made to the telephone trees, etc. All visitors must check in at the school office and wear a visitor badge while on school grounds. During lunch, recesses, and before and after school, staff members supervise students and school grounds, including the cafeteria and playgrounds, to ensure a safe and orderly environment. The Comprehensive School Safety Plan was developed by administrators, other school staff members, and Los Angeles County Office of Education staff members. It is reviewed, approved, and evaluated by the School Site Council in cooperation with local law enforcement in order to comply with Senate Bill 187 of 1997. The plan provides students and staff a means to ensure a safe and orderly learning environment. Components of the Comprehensive School Safety Plan include the following: child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe ingress and egress from school, sexual harassment policy, and suspension and expulsion policies. The plan is reviewed annually with school staff. An updated copy is available to the public at the school and District Office.

2020-21 Local Accountability Report Card (LARC) Addendum

Local Accountability Report Card (LARC) Addendum

2020-21 Local Accountability Report Card (LARC) Addendum Overview

On July 14, 2021, the California State Board of Education (SBE) determined that the California Department of Education (CDE) will use the SARC as the mechanism to conduct a one-time data collection of the LEA-level aggregate test results of all school's local assessments administered during the 2020–2021 school year in order to meet the federal Every Students Succeeds Act (ESSA) reporting requirement for the Local Educational Agency Accountability Report Cards (LARCs).

Each local educational agency (LEA) is responsible for preparing and posting their annual LARC in accordance with the federal ESSA. As a courtesy, the CDE prepares and posts the LARCs on behalf of all LEAs.

Only for the 2020–2021 school year and the 2020–2021 LARCs, LEAs are required to report their aggregate local assessments test results at the LEA-level to the CDE by populating the tables below via the SARC. These data will be used to meet the LEAs' federal requirement for their LARCs. Note that it is the responsibility of the school and LEA to ensure that all student privacy and suppression rules are in place when reporting data in Tables 3 and 4 in the Addendum, as applicable.

The tables below are not part of the SBE approved 2020–2021 SARC template but rather are the mechanism by which these required data will be collected from LEAs.

For purposes of the LARC and the following tables, an LEA is defined as a school district, a county office of education, or a direct funded charter school.
