2021 School Accountability Report Card

General Information about the School Accountability Report Card (SARC)

SARC Overview	By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.
	For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at www.cde.ca.gov/ta/ac/sa/
	For more information about the LCFF or the LCAP, see the CDE LCFF web page at www.cde.ca.gov/fg/aa/lc/
	For additional information about the school, parents/guardians and community members should contact the school principal or the district office.
DataQuest	DataQuest is an online data tool located on the CDE DataQuest web page at dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).
California School Dashboard	The California School Dashboard (Dashboard) www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.
Internet Access	Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2021-22 School Overview

Cypress Elementary School is located twenty-five miles east of Los Angeles in the East San Gabriel Valley and has an enrollment of 700 students in grades Transitional Kindergarten through fifth. The school is part of the Covina-Valley Unified School District which is composed of nine elementary schools serving K-5, three middle schools serving grades 6-8, three comprehensive high schools, and one alternative high school. The campus hosts a Kids Korner Daycare.

On the 2017-2018 CAASPP, 56% of students at Cypress met or exceeded the standard in English Language Arts. In Mathematics, 39% of students met or exceeded the standard. We continue to focus on our ELL population and our SED populations along with significant targeted interventions for all of our Kindergarten through fifth grade students who do not meet the standard.

Cypress School is one of nine computer science magnet schools in the Covina-Valley Unified School District. Cypress is a one-to-one school where all students have their own Chromebook or Lenovo and are learning CODE as their second language. This year Cypress is again partnering with Code to the Future. Students grades TK-5th use their 21st Century skills of collaboration, critical thinking, creativity, and communication in an environment where computer science is taught as a normal discipline in the classroom.

As part of our ongoing plan to sustain growth, our leadership team conducts a yearly needs assessment and evaluates our systematic intervention program to ensure that it continues to meet our students' needs. We continue to offer an intervention/extension rotation designed to provide dedicated leveled instruction for 45 minutes daily. Students are tested to determine which intervention they will receive and are retested at each trimester using standards-based STAR and i-Ready reading and math assessments to determine response to intervention. These findings are discussed within the grade level PLC meetings to make adjustments to the students' schedules and are documented in the yearly planning meetings with the principal.

Daily leveled ELD is integrated into daily intervention for Kindergarten through 5th grade students. Cypress teachers are trained in GLAD strategies to help students develop rich vocabulary and concept knowledge.

Currently, 15% of the students are categorized as English Language Learners (ELL) with the majority speaking Spanish. Cypress is a Schoolwide Title I school with 79% of the students on Free or Reduced lunch. Other demographics include: 3%

2021-22 School Overview

African-American, 3% Asian, 3% Filipino, 83% Hispanic/Latino, 7% White, 3% African American, and 1% two or more races.

All of the teachers are fully credentialed, meet the ESSA State Standards for highly qualified, and are CLAD certified. Our staff includes four Special Education teachers in our Specialized Academic Instruction Program. In addition, we have 2 Speech and Language Pathologists and a part time Adaptive PE teacher. Cypress also has a Title 1 Intervention Specialist who works with our socioeconomically disadvantaged population, coordinates, and teaches our intervention program.

Cypress Elementary School was constructed in 1956 and had some upgrades in 1994 through a modernization process. The school's playground has been completely renovated and the 4,000 square foot Library Media Center was completed in the 2003-2004 school year.

Cypress is proud to be a Gold Ribbon School and a Title I High Achieving School. The cultures of Cypress students are celebrated and respected through a variety of events throughout the school year including our Read on the Green celebration in March. Cypress has a very active PTA that works in conjunction with the staff to enhance learning opportunities for students through field trips and assemblies. Our Parent University has an active population that helps educate and link parents to school activities and volunteer opportunities. Through PTA, Cypress has developed many community partners that offer services to the Cypress School family.

CYPRESS VISION AND MISSION STATEMENT
At Cypress, we believe that our students will one day change the world. Cypress Elementary School is a caring and collaborative community where students are empowered to own their educational experience. We are committed to providing a safe and nurturing environment and developing self-motivated thinkers who are able to succeed in an ever-changing world. We aim to see learning through the eyes of our students and want students to actively be their own teachers. We want students to be visible learners. To do so, they must continually ask themselves: "Where am I going?", "How am I doing?", and "Where do I go next?". We are committed to a growth mindset and the belief that everyone can get a little bit better every day.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Note: For more information refer to the Updated Teacher Equity Definitions web page at https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

2021-22 Quality, Currency, Availability of Textbooks and Other Instructional Materials

Covina-Valley Unified School District ensures that textbooks and materials are sufficient, current and available for each student in all core classes. Covina-Valley Unified School District held a Public Hearing in the fall of 2021 and determined that each school within the District has sufficient and good quality textbooks, instructional materials, and science lab equipment, pursuant to the settlement of Williams vs. the State of California. All students, including English Learners are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom or to take home. The governing Board approves all textbook adoptions for grades TK-12, which includes verification that instructional materials are aligned with California Content Standards and the State Frameworks.

School Facility Conditions and Planned Improvements

Cypress Elementary School was built in 1955 and modernized in 1994. School facilities span nearly 44,000 square feet, and consist of permanent and portable classrooms, a cafeteria, administrative offices, restrooms, and storage rooms. A new Library Media Center was opened in May 2005 with state-of-the-art computer laboratory, wireless internet and an amplification system. The school also received a new marquee, hardscape and new playground equipment. In the summer of 2007 the parking lot was patched and slurry sealed, and all traffic/parking markings and curbs were painted. In June 2009 the cafeteria and all bathrooms were painted. Three portable classrooms and asphalt pads were added to the school site.Twelve portable classrooms received new carpet in the summer of 2014. The facility strongly supports teaching and learning through its ample classroom and playground space.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments
(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

SARC Reporting in the 2020-2021 School Year Only
Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

Options
Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2019-2020 data cells with N/A values indicate that the 2019-2020 data are not available due to the COVID-19 pandemic and resulting summative test suspension. The Executive Order N-30-20 was issued which waived the assessment, accountability, and reporting requirements for the 2019-2020 school year.

The 2020-2021 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-2021 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-2021 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-2021 school year to other school years.

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2020-21 California Physical Fitness Test Results

Due to the COVID-19 crisis, the Physical Fitness Test was suspended during the 2020-2021 school year and therefore no data are reported and each cell in this table is populated with "N/A."

Grade Level	Percentage of Students Meeting Four of Six Fitness Standards	Percentage of Students Meeting Five of Six Fitness Standards	Percentage of Students Meeting Six of Six Fitness Standards

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2021-22 Opportunities for Parental Involvement

Parents and the community are very supportive of the educational program at Cypress Elementary School. Numerous programs and activities are enriched by the generous contributions made by a large number of local businesses and the following groups and organizations: Lions Club, Local Assistance League, Rotary, and the Parent Teacher Association (PTA). Cypress is also supported by many local businesses including WalMart, the Credit Union of Southern California, McDonald's, KMart, Target, Buckboard BBQ, Island's, Covina Bowl, Hometown Buffet, Horace Mann, Wright Designs, and In-N-Out.

The school holds many events throughout the school year in which parents and community members can get involved. These events include School Site Council meetings, English Language Advisory Council meetings, PTA meetings, Day of the Children Festival, adult education, evening parent involvement meetings, Family Reading Night, Walk Your Child to School Day, and Red Ribbon Week. The PTA newsletter and various flyers are sent home throughout the year to keep parents informed of these events. A monthly calendar is sent home in English and Spanish to keep parents informed of events at Cypress Elementary School. In addition, our webpage, Facebook, Remind 101 and marquee post regular event updates.

Parents who wish to participate in Cypress Elementary School's leadership teams, school committees, school activities, or become volunteers may contact school office personnel at (626) 974-4300.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

Suspensions and Expulsions

This table displays suspensions and expulsions data collected between July through June, each full school year respectively. Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

Subject	School 2018-19	School 2020-21	District 2018-19	District 2020-21	State 2018-19	State 2020-21

Expulsions	0.00	0.00	0.09	0.00	0.08	0.00

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-2020 suspensions and expulsions rate data are not comparable to other year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to other school years.

2021-22 School Safety Plan

Safety of students and staff is a primary concern at every school throughout the District. Each school complies with laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. The school's disaster preparedness plan includes steps for ensuring student and staff safety during a disaster. Fire and disaster drills are conducted regularly throughout the school year. Each school annually participates in the "Great California ShakeOut". The school's Safe School Plans are reviewed annually by a law enforcement officer (usually our School Resource Officers from West Covina and Covina Police Departments). The document is "fluid" and updates are completed as needed. For example, updates are completed if a school discipline policy is added or modified, changes are made to the campus map, additions and/or modifications are made to the telephone trees, etc. All visitors must check in at the school office and wear a visitor badge while on school grounds. During lunch, recesses, and before and after school, staff members supervise students and school grounds, including the cafeteria and playgrounds, to ensure a safe and orderly environment. The Comprehensive School Safety Plan was developed by administrators, other school staff members, and Los Angeles County Office of Education staff members. It is reviewed, approved, and evaluated by the School Site Council in cooperation with local law enforcement in order to comply with Senate Bill 187 of 1997. The plan provides students and staff a means to ensure a safe and orderly learning environment. Components of the Comprehensive School Safety Plan include the following: child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe ingress and egress from school, sexual harassment policy, and suspension and expulsion policies. The plan is reviewed annually with school staff. An updated copy is available to the public at the school and District Office.

2020-21 Local Accountability Report Card (LARC) Addendum

Local Accountability Report Card (LARC) Addendum

2020-21 Local Accountability Report Card (LARC) Addendum Overview

On July 14, 2021, the California State Board of Education (SBE) determined that the California Department of Education (CDE) will use the SARC as the mechanism to conduct a one-time data collection of the LEA-level aggregate test results of all school's local assessments administered during the 2020–2021 school year in order to meet the federal Every Students Succeeds Act (ESSA) reporting requirement for the Local Educational Agency Accountability Report Cards (LARCs).

Each local educational agency (LEA) is responsible for preparing and posting their annual LARC in accordance with the federal ESSA. As a courtesy, the CDE prepares and posts the LARCs on behalf of all LEAs.

Only for the 2020–2021 school year and the 2020–2021 LARCs, LEAs are required to report their aggregate local assessments test results at the LEA-level to the CDE by populating the tables below via the SARC. These data will be used to meet the LEAs' federal requirement for their LARCs. Note that it is the responsibility of the school and LEA to ensure that all student privacy and suppression rules are in place when reporting data in Tables 3 and 4 in the Addendum, as applicable.

The tables below are not part of the SBE approved 2020–2021 SARC template but rather are the mechanism by which these required data will be collected from LEAs.

For purposes of the LARC and the following tables, an LEA is defined as a school district, a county office of education, or a direct funded charter school.
