## 2021 School Accountability Report Card

### General Information about the School Accountability Report Card (SARC)

#### SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at [www.cde.ca.gov/ta/ac/sa/](http://www.cde.ca.gov/ta/ac/sa/)

For more information about the LCFF or the LCAP, see the CDE LCFF web page at [www.cde.ca.gov/fq/aa/lc/](http://www.cde.ca.gov/fq/aa/lc/)

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at [dq.cde.ca.gov/dataquest/](http://dq.cde.ca.gov/dataquest/) that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### California School Dashboard

The California School Dashboard (Dashboard) [www.caschooldashboard.org/](http://www.caschooldashboard.org/) reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

#### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

## 2021-22 School Overview

Manzanita Elementary School is a TK-5th grade school located in the City of Covina that serves the communities of Irwindale and unincorporated Covina with an enrollment of approximately 305 and growing as we grow our Dual Immersion Magnet Program. Manzanita is part of the Covina-Valley Unified School District, which includes nine elementary schools serving grades TK-5, three middle schools serving grades 6-8, three comprehensive high schools, and one alternative school. We offer students a balanced, standards-based curriculum that promotes success and excellence in education. Manzanita teachers and staff focus on providing students with an array of opportunities to master the California State Common Core Standards in English Language Arts and Mathematics, in addition to the state standards for Science and Social Studies. Our school hosts the District Dual Immersion Magnet program and the Think Together after school care for the school age students that attend Manzanita.

Manzanita Elementary is a school of excellence where every student, in all capacities, is highly valued. Our focus has continued to be on closing the achievement gap for all underachieving students and enriching instruction for all students proficient or above. Our credentialed teachers provide after school tutoring sessions to all students. Our school demographics include 89% students of Latino descent, 6% White, 4% Asian and 1% other. With 85% of our students socioeconomically disadvantaged and 22% learning English as their second language, the entire school community is committed to our students finishing their elementary education with their 21st Century skills in place to guarantee their future success.

Our three-fold goal focuses on the whole child through nutrition, physical exercise, and academic instruction. We are most proud of our "What I Need Now" (WINN) program, which targets achievement in ELA and math. We feel that WINN, our model practice, is an exemplary program. Through our daily instructional practices, which includes our WINN time, students in Tier I receive enrichment activities, those in Tier II receive specialized support, and those in Tier III receive intensive intervention. We are proud of our current journey towards closing the achievement gap for all students at Manzanita and assert that our innovative WINN will develop inquisitive and versatile lifelong learners who will achieve their academic potential.

Our instructional focus was developed through collaborative meetings and PLCs to review our school wide data. We are committed that all Manzanita students will read closely to determine what the text says explicitly, make logical inferences from it, and cite specific textual evidence when writing or speaking to support conclusions drawn from the text as measured by i-Ready Standards Mastery Assessments. We are also looking how this can be used in Math to support students citing evidence when solving problems. We support our Dual Immersion students through the use of iStation which is a similar program to i-

## 2021-22 School Overview

Ready and based on Spanish Language Arts Standards.

Our goal is for every TK-5th grade student to infuse the use of Chromebooks/Lenovos into our instructional model. Teachers receive ongoing intensive professional development to infuse technology into their daily instructional model. We have implemented coding through Code to the Future coaching model. Each student in grades TK-5 focuses on a gradual release model of coding at their developmental level. Each trimester, we showcase our program through an Epic Build where student ambassadors highlight the program and invite parents to explore the learning in the classroom.

In addition to these foci, Manzanita houses the District Dual Immersion Spanish/English 90:10 model. For the past two years, Manzanita has grown this model starting with Kindergarten and opening two 1st grade classrooms this year. Students are immersed in the target language and also gradually released to a 50:50 model by 4th and 5th grade. The goal of the program is to develop bilingual, bilateral and Multicultural citizens who are prepared to continue their language learning into middle and high school with the ultimate goal being the Seal of Biliteracy on their high school diploma.

Manzanita Elementary School is one of nine computer science magnet schools in the Covina-Valley Unified School District. Manzanita is a one-to-one school where all students have their own Chromebook or Lenovo and are learning CODE as their second language. This year Manzanita is partnering with Code to the Future. Students in grades TK-5 use their 21st Century skills of collaboration, critical thinking, creativity, and communication in an environment where computer science is taught as a normal discipline in the classroom.

Manzanita also received a grant from Mr. Holland's Opus to bring a music program to all students in grades 3-5. Students are able to select Beats, Beginning Band or Advanced Band and Mr. Holland's Opus has provided instruments for any student wanting to participate.

The Manzanita staff is highly qualified with 100% of the teaching staff NCLB compliant, fully credentialed, BCLAD or CLAD certified (or its equivalent). Our staff includes three Special Education teachers in our Specialized Academic Instruction Programs. In addition, we have a part time Speech and Language Pathologist, a part time Adaptive PE teacher, part time OT and a part time school psychologist. Manzanita also has a Title I Intervention Specialist who works with our socioeconomically disadvantaged population, coordinates and teaches our intervention program.

Our parents and PTA are important partners in our students' education. Our parents volunteer in the classroom, organize special events, and raise money to provide extra things that make school special such as field trips, parent nights, assemblies, movie nights, Festivals, Trunk-or-Treat, and so much more.

We take instruction and social development seriously and are dedicated to providing a rigorous academic program preparing students for success in college and beyond!

### MANZANITA VISION AND MISSION STATEMENT

Manzanita Elementary is truly a school that instills a genuine sense of pride and success shared by all. Our goal for every student is to provide a strong academic education, develop critical thinkers who are prepared for the rigors of middle and high school, develop students who are college and career ready and prepared to be successful in a global society.

### MISIÓN Y VISIÓN DE LA ESCUELA MANZANITA

La Escuela Primaria Manzanita es verdaderamente una escuela que inculca un genuino sentido de orgullo y éxito compartido por todos. Nuestro objetivo para todos los estudiantes es proporcionar una sólida educación académica, desarrollar pensadores críticos que estén preparados para los rigores de la escuela secundaria y preparatoria, desarrollar estudiantes listos para la universidad y preparados para ser exitosos en una sociedad global.

### MANZANITA MISSION OF THE DUAL IMMERSION LANGUAGE ACADEMY

The mission of the Covina-Valley Dual Immersion Magnet Program at Manzanita Elementary School will be to develop bilingual and biliterate citizens who are well prepared to succeed in a global economy. Our purpose will be to teach students to embrace and celebrate diversity, to appreciate their home language and culture, and to learn and use a second language in their everyday lives. We will provide rigorous academic standards and excellent language models for our students.

### MISIÓN DE LA ACADEMIA DE DOBLE INMERSIÓN DE LA ESCUELA MANZANITA

La misión de la academia de doble inmersión de la escuela Manzanita es para desarrollar a ciudadanos bilingües que estén bien preparados para tener éxito en una economía global. Nuestro propósito será enseñar a los alumnos a comprender y a celebrar la diversidad, para apreciar su idioma y cultura natal y para aprender o utilizar un segundo idioma en sus vidas diarias. Proporcionaremos estándares académicos rigurosos y los modelos excelentes del idioma para nuestros alumnos.

### INSTRUCTIONAL FOCUS STATEMENT

## 2021-22 School Overview

All Manzanita students will read closely to determine what the text says explicitly and to make logical inferences from it; cite specific textual evidence when writing or speaking to support conclusions drawn from the text. These strategies will be applied in all content areas and supported through 3 research based instructional strategies: 1) Thinking Maps; 2) Close Reading Strategies as Supported through Nancy Boyles research; and 3) Depths of Knowledge Thinking Stems.

## A. Conditions of Learning

### State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

### 2020-21 Teachers Without Credentials and Misassignments (considered “ineffective” under ESSA)

<b>Misassignments for English Learners</b> (a percentage of all the classes with English learners taught by teachers that are misassigned)	0.0
<b>No credential, permit or authorization to teach</b> (a percentage of all the classes taught by teachers with no record of an authorization to teach)	0.0

## 2021-22 Quality, Currency, Availability of Textbooks and Other Instructional Materials

Covina-Valley Unified School District ensures that textbooks and materials are sufficient, current and available for each student in all core classes. Covina-Valley Unified School District held a Public Hearing in the fall of 2021 and determined that each school within the District has sufficient and good quality textbooks, instructional materials, and science lab equipment, pursuant to the settlement of Williams vs. the State of California. All students, including English Learners are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom or to take home. The governing Board approves all textbook adoptions for grades TK-12, which includes verification that instructional materials are aligned with California Content Standards and the State Frameworks.

## School Facility Conditions and Planned Improvements

Manzanita Elementary School was built in 1961, with portable buildings added in 1968, 1994, 1995, 1996, 1997, and 1999. Facilities are situated on 10 acres and span nearly 43,000 square feet. They consist of permanent and portable classrooms, a cafeteria, administrative offices, restrooms, a Library/Media Center, and storage rooms. The school has been completely modernized, including restrooms, classrooms and office buildings. All classrooms are equipped with state-of-the-art equipment and wireless internet connections. All classrooms are equipped with Lightspeed technology allowing each teacher to use a microphone while teaching. The modernization was completed in April 2007. The facility strongly supports teaching and learning through its ample classrooms and playground space.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

#### Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

#### SARC Reporting in the 2020-2021 School Year Only

Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

#### Options

Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

## Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2019-2020 data cells with N/A values indicate that the 2019-2020 data are not available due to the COVID-19 pandemic and resulting summative test suspension. The Executive Order N-30-20 was issued which waived the assessment, accountability, and reporting requirements for the 2019-2020 school year.

The 2020-2021 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-2021 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-2021 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-2021 school year to other school years.

## CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

The 2019-2020 data cells with N/A values indicate that the 2019-2020 data are not available due to the COVID-19 pandemic and resulting summative testing suspension. The Executive Order N-30-20 was issued which waived the assessment, accountability, and reporting requirements for the 2019-2020 school year.

For any 2020-2021 data cells with N/T values indicate that this school did not test students using the CAASPP Science.

## B. Pupil Outcomes

### State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

#### 2020-21 California Physical Fitness Test Results

Due to the COVID-19 crisis, the Physical Fitness Test was suspended during the 2020-2021 school year and therefore no data are reported and each cell in this table is populated with "N/A."

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

#### 2021-22 Opportunities for Parental Involvement

Parents and the community are very supportive of the educational program at Manzanita Elementary School. Numerous programs and activities are enriched by the generous contributions made by the following groups and organizations: Parent Teacher Association (PTA), Covina Sunrise Rotary, Operation Santa Clothes, Covina Library, Irwindale Library, DD's Discounts and Operation School Bell.

Parent participation has encouraged the school to support and participate in summer programs, parent education, increased opportunities for teachers and parents to meet, increased focus on academic awards, maintaining our library in the summer, and providing for a school-wide garden program. Parents also support the schoolwide 100-Mile running club.

The school holds many events throughout the school year in which parents and community members can get involved. These events include SSC meetings, ELAC meetings, PTA meetings, Parent Education Nights, Holiday Programs, Family Festivals, Founder's Day, Back-to-School Night. The PTA and school newsletters, phone and print messages are sent home throughout the year to keep parents informed of these events. Parents are encouraged and celebrated for their time spent volunteering within Manzanita classrooms.

Parents who wish to participate in Manzanita Elementary School's leadership teams, school committees, school activities, or become volunteers may contact school office personnel at (626) 472-7640.

#### State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

## Suspensions and Expulsions

This table displays suspensions and expulsions data collected between July through June, each full school year respectively. Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

Subject	School 2018-19	School 2020-21	District 2018-19	District 2020-21	State 2018-19	State 2020-21

<b>Expulsions</b>	0.00	0.00	0.09	0.00	0.08	0.00

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-2020 suspensions and expulsions rate data are not comparable to other year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to other school years.

## 2021-22 School Safety Plan

Safety of students and staff is a primary concern at every school throughout the District. Each school complies with laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. The school's disaster preparedness plan includes steps for ensuring student and staff safety during a disaster. Fire and disaster drills are conducted regularly throughout the school year. Each school annually participates in the "Great California ShakeOut". The school's Safe School Plans are reviewed annually by a law enforcement officer. Our document is "fluid" and updates are completed as needed. For example, updates are completed if a school discipline policy is added or modified, changes are made to the campus map, additions and/or modifications are made to the telephone trees, etc. All visitors must check in at the school office and wear a visitor badge while on school grounds. During lunch, recesses, and before and after school, staff members supervise students and school grounds, including the cafeteria and playgrounds, to ensure a safe and orderly environment. The Comprehensive School Safety Plan was developed by administrators, other school staff members, and Los Angeles County Office of Education staff members. It is reviewed, approved, and evaluated by the School Site Council in cooperation with local law enforcement in order to comply with Senate Bill 187 of 1997. The plan provides students and staff a means to ensure a safe and orderly learning environment. Components of the Comprehensive School Safety Plan include the following: child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe ingress and egress from school, sexual harassment policy, and suspension and expulsion policies. The plan is reviewed annually with school staff. An updated copy is available to the public at the school and District Office.

## 2020-21 Local Accountability Report Card (LARC) Addendum

### Local Accountability Report Card (LARC) Addendum

#### 2020-21 Local Accountability Report Card (LARC) Addendum Overview

On July 14, 2021, the California State Board of Education (SBE) determined that the California Department of Education (CDE) will use the SARC as the mechanism to conduct a one-time data collection of the LEA-level aggregate test results of all school's local assessments administered during the 2020–2021 school year in order to meet the federal Every Students Succeeds Act (ESSA) reporting requirement for the Local Educational Agency Accountability Report Cards (LARCs).

Each local educational agency (LEA) is responsible for preparing and posting their annual LARC in accordance with the federal ESSA. As a courtesy, the CDE prepares and posts the LARCs on behalf of all LEAs.

Only for the 2020–2021 school year and the 2020–2021 LARCs, LEAs are required to report their aggregate local assessments test results at the LEA-level to the CDE by populating the tables below via the SARC. These data will be used to meet the LEAs' federal requirement for their LARCs. Note that it is the responsibility of the school and LEA to ensure that all student privacy and suppression rules are in place when reporting data in Tables 3 and 4 in the Addendum, as applicable.

The tables below are not part of the SBE approved 2020–2021 SARC template but rather are the mechanism by which these required data will be collected from LEAs.

For purposes of the LARC and the following tables, an LEA is defined as a school district, a county office of education, or a direct funded charter school.
