2021 School Accountability Report Card

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at www.cde.ca.gov/ta/ac/sa/

For more information about the LCFF or the LCAP, see the CDE LCFF web page at www.cde.ca.gov/fq/aa/lc/

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2021-22 School Overview

Mesa Elementary School currently serves roughly 800 Transitional Kindergarten through fifth-grade students with a strong emphasis on academic excellence and outstanding student achievement. Many families have had several generations of students attend Mesa Elementary School due to the quality education the school provides. A high level of community involvement and strong educational partnerships enrich Mesa's learning environment. Hundreds of volunteers are dedicated to the ongoing support of the school's vision as they donate thousands of hours each year.

Mesa's commitment to providing outstanding educational opportunities is reflected in the dedication of its teachers who routinely work well beyond the established school day. The staff is comprised of 25 regular classroom teachers, a Title I Intervention Teacher, two Special Education Teachers, a School Psychologist, a Speech and Language Specialist, two Transitional Kindergarten Teachers, five Dual Language Teachers, and 1 Adaptive Physical Education teacher. The Mesa staff is highly qualified with 100% of the teaching staff NCLB compliant, fully credentialed, and CLAD certified (or its equivalent). All of the teachers have been teaching five years or more. Mesa provides a strong support network for all teachers through collaboration and on-site mentorships. The staff is committed to preserving Mesa's tradition of academic excellence by maintaining high expectations and standards for student achievement. Teachers employ a wide range of effective teaching strategies and instructional methodologies and engage in professional development activities to maintain a working knowledge of the findings of current educational research. Our critical priority this year is to provide effective first instruction, as well as develop critical thinking skills. Mesa teachers have been trained in Total Education System Support (TESS), and our teachers have helped the district develop and design lessons, pacing guides, and common assessments which will support Effective First Instruction. This year all of our teachers attended Common Core Training, Write from the Beginning and Beyond training, and Thinking Maps. All Mesa teachers will be trained for 12 hours throughout the year as we embark on a schoolwide mission to improve students' thinking and writing skills with an emphasis on narrative and expository writing (WFTBB).

Mesa's staff serves a diverse population as indicated by the 11 different languages spoken by Mesa students. Predominant groups include Hispanics (67%), Caucasian (14%), Asian (11%), Filipino (3%), and African American (3%). Services are provided for Gifted and Talented students (8%) who are clustered into GATE classes and receive differentiated instruction daily. English Language Learners (8%) are provided specially designed academic instruction in English by CLAD certified teachers. Our SED population has increased from last year with 48% of our students currently receiving Free and Reduced Lunch. We were awarded the Title I Achievement School Award, and this is the third year we will receive Title I funding. Students respect one another and take pride in their school. Mesa's exemplary CAASPP scores are just one indicator of

2021-22 School Overview

students' determination to fulfill their highest potential. Mesa's students continue to learn and have become student leaders, academic scholarship winners, and star athletes at the high school level.

Mesa is proud of its many accomplishments. Through the fundraising efforts of dedicated volunteers, PTA has continued to provide students with access to specialized and up-to-date learning materials. Over the past three years, our PTA and community have helped students raise over \$65,000 to support educational opportunities including field trips for every classroom, as well as high-quality assemblies. In 2003, Mesa opened a new and significantly larger library facility, which houses over 11,500 books, magazines, and reference materials for student use. Donations from our Spring Read-a-Thon purchased individual headphones for the incoming Transitional Kindergarten students, as well as computers, iPads, and new library books. Students have internet access in all classrooms. The Read-a-Thon, Book Fair, Family Movie Night, Walk-to-School Day, Book Character Parade, and Red Ribbon Week celebrations are just a few of the many activities regularly occurring on campus.

The genuine caring and respect among the community, the skilled teaching staff, the extensive collection of educational resources, and the strong collaboration among all members of the Mesa community continue to support students in achieving academic excellence.

MESA VISION AND MISSION STATEMENT

Mesa Elementary School endeavors to provide a safe, educational environment that nurtures and empowers students to become balanced and productive citizens. As part of this vision, we hope to instill in our students a sense of integrity and compassion, a quest for knowledge and achievement, a respect for diversity, and an appreciation of their community. We strive to help students not only develop their intellectual intelligence, but their emotional intelligence as well. It is our expectation that when students leave Mesa Elementary School they will have a firm foundation of academic skills, as well as the ability to establish positive interpersonal relationships and collaborate with others. They will be able to discern right from wrong and make ethical judgments to become contributing members of society. Mesa Elementary School provides the keys to successfully unlocking the doors of the future and each child holds a key.

INSTRUCTIONAL FOCUS

Students at Mesa Elementary School will effectively communicate their reasoning through speaking, writing, and visual representation. These strategies will be applied in all content areas and supported through 3 research-based instructional strategies: 1) Thinking Maps; 2) Write from the Beginning and Beyond; and 3) ACE (Answer, Cite, Explain).

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

2021-22 Quality, Currency, Availability of Textbooks and Other Instructional Materials

Covina-Valley Unified School District ensures that textbooks and materials are sufficient, current and available for each student in all core classes. Covina-Valley Unified School District held a Public Hearing in the fall of 2021 and determined that each school within the District has sufficient and good quality textbooks, instructional materials, and science lab equipment, pursuant to the settlement of Williams vs. the State of California. All students, including English Learners are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom or to take home. The governing Board approves all textbook adoptions for grades TK-12, which includes verification that instructional materials are aligned with California Content Standards and the State Frameworks.

School Facility Conditions and Planned Improvements

Mesa Elementary School was built in 1960, with portable buildings added in 1989, 1994, 1998, and 2003. School facilities are situated on 10 acres and span nearly 45,500 square feet. They consist of permanent and portable classrooms, a cafeteria, a new Library Media Center, administrative offices, restrooms, and storage rooms. The school facilities modernization project was completed in Spring of 2004 with the grand opening of the Library Media Center. It has a state-of-the-art computer laboratory, wireless internet and an amplification system. The school received new hardscape and playground equipment. In August 2007, parking lots were patched, slurry sealed and all traffic/parking markings and curbs painted. In June 2008, the administration office and workroom were renovated with new paint, carpet, furniture, light fixtures, and a new entry door. The facility strongly supports teaching and learning through its ample classrooms and playground space. The exterior was repainted with a new color scheme in the Summer of 2013 and all portable classrooms received new carpet during the Summer of 2014.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

SARC Reporting in the 2020-2021 School Year Only

Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

Options

Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2019-2020 data cells with N/A values indicate that the 2019-2020 data are not available due to the COVID-19 pandemic and resulting summative test suspension. The Executive Order N-30-20 was issued which waived the assessment, accountability, and reporting requirements for the 2019-2020 school year.

The 2020-2021 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-2021 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-2021 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-2021 school year to other school years.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2021-22 Opportunities for Parental Involvement

Parents and the community are very supportive of the educational program at Mesa Elementary School. Numerous programs and activities are enriched by the generous contributions made by the Parent Teacher Association (PTA) and local businesses. Mesa currently has an active PTA, School Site Council, and English Learners Advisory Committee. Our Library Media Specialist recruits and trains over 75 parents to work in our LMC with students and teachers. The school holds many events throughout the school year in which parents and community members can get involved. These events include Kindergarten Parent Nights, Back-to-School Night, Book Character Parade, PTA Fundraisers, Classroom Performances, Read-a-Thon, Walk-to-School Day, Night of Giving, Book Fairs, and Family Nights. The PTA newsletter, monthly calendar, and flyers are sent home throughout the year to keep parents informed of these events. Parents who wish to participate in Mesa Elementary School's leadership teams, school committees, school activities, or become volunteers may contact school office personnel at (626) 974-4600.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

Suspensions and Expulsions

This table displays suspensions and expulsions data collected between July through June, each full school year respectively. Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

Subject	School 2018-19	School 2020-21	District 2018-19	District 2020-21	State 2018-19	State 2020-21

Expulsions	0.00	0.00	0.09	0.00	0.08	0.00

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-2020 suspensions and expulsions rate data are not comparable to other year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to other school years.

2021-22 School Safety Plan

Safety of students and staff is a primary concern at every school throughout the District. Each school complies with laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. The school's disaster preparedness plan includes steps for ensuring student and staff safety during a disaster. Fire and disaster drills are conducted regularly throughout the school year. Each school annually participates in the "Great California ShakeOut". The school's Safe School Plans are reviewed annually by a law enforcement officer from the West Covina Police Department. The document is "fluid" and updates are completed as needed. For example, updates are completed if a school discipline policy is added or modified, changes are made to the campus map, additions and/or modifications are made to the telephone trees, etc. All visitors must check in at the school office and wear a visitor badge while on school grounds. During lunch, recesses, and before and after school, staff members supervise students and school grounds, including the cafeteria and playgrounds, to ensure a safe and orderly environment. The Comprehensive School Safety Plan was developed by administrators, other school staff members, and Los Angeles County Office of Education staff members. It is reviewed, approved, and evaluated by the School Site Council in cooperation with local law enforcement in order to comply with Senate Bill 187 of 1997. The plan provides students and staff a means to ensure a safe and orderly learning environment. Components of the Comprehensive School Safety Plan include the following: child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe ingress and egress from school, sexual harassment policy, and suspension and expulsion policies. The plan is reviewed annually with school staff. An updated copy is available to the public at the school and District Office.

2020-21 Local Accountability Report Card (LARC) Addendum

Local Accountability Report Card (LARC) Addendum

2020-21 Local Accountability Report Card (LARC) Addendum Overview

On July 14, 2021, the California State Board of Education (SBE) determined that the California Department of Education (CDE) will use the SARC as the mechanism to conduct a one-time data collection of the LEA-level aggregate test results of all school's local assessments administered during the 2020–2021 school year in order to meet the federal Every Students Succeeds Act (ESSA) reporting requirement for the Local Educational Agency Accountability Report Cards (LARCs).

Each local educational agency (LEA) is responsible for preparing and posting their annual LARC in accordance with the federal ESSA. As a courtesy, the CDE prepares and posts the LARCs on behalf of all LEAs.

Only for the 2020–2021 school year and the 2020–2021 LARCs, LEAs are required to report their aggregate local assessments test results at the LEA-level to the CDE by populating the tables below via the SARC. These data will be used to meet the LEAs' federal requirement for their LARCs. Note that it is the responsibility of the school and LEA to ensure that all student privacy and suppression rules are in place when reporting data in Tables 3 and 4 in the Addendum, as applicable.

The tables below are not part of the SBE approved 2020–2021 SARC template but rather are the mechanism by which these required data will be collected from LEAs.

For purposes of the LARC and the following tables, an LEA is defined as a school district, a county office of education, or a direct funded charter school.
