2021 School Accountability Report Card

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at www.cde.ca.gov/ta/ac/sa/

For more information about the LCFF or the LCAP, see the CDE LCFF web page at www.cde.ca.gov/fq/aa/lc/

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2021-22 School Overview

Rowland Avenue Elementary School serves approximately 560 Kinder Academy through 5th grade students. Rowland Avenue Elementary School has received the following recognitions: Gold Ribbon School in 2016, California Distinguished School in 2006 and 2010, Computer Science Magnet School, Title I Achieving School, Mr. Holland's Opus National Endorsement and Grant Recipient, Golden Bell winner, and CBEE recipient. Rowland Avenue is located 20 miles from downtown Los Angeles. It is one of nine elementary schools, three middle schools, three high schools, and one continuation high school within the Covina-Valley Unified School District. The school was constructed in 1958 and modernized in 1993. Our entire school community benefits from a Library Media Center which houses a 15,000 book collection. More than seventy percent of teachers have advanced degrees. To assist us in our mission and vision, we have several support personnel, including a Title 1 Intervention Specialist, two Special Education Teachers, a Psychologist, a Speech Pathologist, a Marriage and Family Therapist Intern, six instructional assistants, two school helpers, and five playground supervisors. All teachers have personal laptops, projectors, document cameras, and Apple TVs. Classrooms have 1:1 technology devices and we are partnering with Code to the Future to implement coding at all grade levels which culminates in an Epic Build each trimester. A laptop cart supports technology integration in our Technology and Innovation lab. Rowland Avenue has a wireless network with numerous access points. A teacher maintains the school website and a PTA mom gives regular updates through Facebook. When our Superintendent visits classrooms, he utilizes Twitter to inform others about the excellent teaching and learning happening at our school and our Computer Science Immersion District. Rowland's staff has created a nurturing home-away-from-home, family-oriented environment with high expectations and a "no excuses" attitude. Students create, collaborate, communicate, and critically think as they learn the skills needed for success in an ever changing global society. They are challenged daily and realize the future holds unlimited possibilities.

The school has a rich blend of cultural heritages represented in its student population: 6.9% Asian, 1.2% Black or African American, 1.3% Filipino, 79.8% Hispanic or Latino, 5% White (not Hispanic), and 5.8% other. English Language Learners (ELL) make up 15.8% of our population, and 72% of our students are eligible for the Free and/or Reduced Lunch program.

Rowland Avenue staff works hard to provide our students with an educational environment that is safe and nurturing, has high expectations, and is enriching. We have implemented the Raptorware System to ensure all volunteers have been cleared through a database. We are a school that celebrates attendance, academic performance, citizenship, homework completion, and great character. We work hard to instill in children the six pillars of Character Education: Responsibility, Caring, Respect, Trustworthiness, Fairness, and Citizenship. This has resulted in hard working students with great self-esteem, increased daily

2021-22 School Overview

attendance, a low suspension rate, and increased parental support of school programs. Our teachers and staff believe that it is never too early to start talking about college. Examples of this commitment can be seen all over our campus from the school office to the classrooms. Staff and students wear college shirts on Mondays. The entrance to each classroom and the office proudly display University Pennants. The principal and teachers have their degrees visible for all students to see. This demonstration supports the expectation that all students will be prepared for college and a successful career.

Our teachers work together in professional learning communities to continuously improve student achievement. They focus on the following three guiding questions: "What do students need to know?", "How will we know if they know it?", and "What will we do with those that didn't learn it?" Along with strong first teaching and differentiated instruction, each grade level provides their students with an additional thirty minutes of intervention/acceleration focusing on literacy and numeracy. Certified GATE teachers address the learning needs of identified GATE students. Additional resources include: i-Ready, a web based resource for all students in the areas of Language Arts and Math; Read Well, used with non-proficient students in grades 1-2 who need to improve in all areas of reading; Read Naturally for students in grades 1-5 who need to improve their reading fluency; WonderWorks as an intervention program for 3rd-5th graders; and online resources to improve math fact fluency. Teachers at each grade level have embraced Thinking Maps and Write from the Beginning and Beyond to support writing at all grade levels.

Other exciting programs at Rowland Avenue Elementary School include a schoolwide literacy effort that is possible because of our Accelerated Reader Program, generous support from the community, and outstanding parent volunteers. Students are motivated to read books, take quizzes, and earn prizes for passing their quizzes. Students scoring 100% on a quiz get a ticket for a monthly bike raffle made possible by our "Grandparent" who purchases two bikes and helmets per month for us to give away. The library is open before school, during morning recess and lunch recess, and some days each week after school to provide students with opportunities to read and take quizzes or just have a place to do research and study. We have instituted Family Reading Nights once a month to encourage students to bring their parents and read together. Students have been challenged to read 140,000,000 words during the 2018-2019 school year. Our fourth and fifth graders have an opportunity to run for Student Council. If they are not elected to be officers, our teachers strive to develop future leaders by encouraging their participation as Room Representatives. Student Council Officers and Representatives have an integral part of making announcements during our Spirit and Pride Assemblies held the first Friday of each month. They also have many opportunities to lead the student body in community service projects such as canned food drives, ongoing school recycling, and sock/hygiene basket drives for the homeless. Our fourth and fifth grade students participate in Band, BEATS, or Glee. We received a \$48,000 grant of musical instruments and National Endorsement from Mr. Holland's Opus Foundation. Student Patrol is a very popular program run by one of our instructional assistants. She trains students to assist during lunch recess. Rowland's school garden is a place to learn about nutrition and caring for our earth. We have GATE Saturdays that focus on Science, Technology, Engineering, Art, and Math (STEAM Saturdays). Students attend half day enrichment sessions and are invited to District field trips as well. Rowland also offers Science Saturday Academies to students who wish to recapture a missed day of attendance.

Rowland participates in many positive relationships with the community to support student learning and citizenship. We enjoy the benefits of being adopted by a very generous family that buys books for our library, classroom supplies, rewards for reading, and much more. Our campus hosts Kinder Academy, a Districtwide program for students as they prepare for all aspects of Kindergarten. Kids Korner provides before and after-school child care to students in grades TK-5. Rowland students benefit from participation in activities offered by West Covina Parks and Recreation Department and our neighboring park, Palmview. The Santa Clothes program from the Covina Sunrise Rotary Club generously provides school uniforms and other clothing items. Operation School Bell Program offered by the Assistance League of Covina, DonorsChoose.com, and other programs offer support in the areas of health, social, academic and emotional well-being. A local businessman has adopted our school and recognizes excellent attendance with an "Iron Man Trophy." Through generous donations, we have equipped our Technology and Innovation Lab with a green screen and lighting. Students enjoy a reciprocal, intergenerational relationship with members of Bridgecreek Retirement Home. Retirees visit Rowland each week for our "Read Aloud Party" and students from Rowland have visited Bridgecreek for mini concerts or holiday carols.

Our PTA provides exciting field trips, assemblies, family nights, and other fun activities that truly make Rowland Avenue Elementary School a wonderful place to grow and learn. Rowland's many programs and services have enabled the staff to develop strong ties with the students' families. Parents are encouraged to actively participate in their child's education, whether it is by volunteering in the classroom, by helping to organize and participate in PTA and school events or by simply reading to their children and making sure their homework is successfully completed. Our parents and PTA provide much needed support in the form of volunteer hours and fundraising to provide extra activities such as Red Ribbon Week Activities, Santa's Secret Shop, movie nights, Principal's Lunch Bunch, Walk-A-Thon, Lunch of Love, Father/Daughter Dance, Mother/Son Dance, and much more.

There is no better affirmation of the exceptional educational experiences at Rowland than the enthusiasm seen in the eyes of the students and heard in their voices. Our students leave Rowland with a solid foundation of core competencies that will

ensure unlimited opportunities for success.

ROWLAND VISION AND MISSION STATEMENT

Rowland Avenue Elementary School is a destination and a journey. We are a school community that nurtures and inspires, supports and challenges, reflects and redesigns. We are committed to maintaining a safe campus and a positive learning environment where all feel welcomed, respected, and important to the school. We encourage home and community support and strive to communicate progress toward our goals. At Rowland Avenue, instructional goals are aligned with California Standards. Students know what is expected, are prepared for success, and are given opportunities to reach their potential. At Rowland Avenue, each child is encouraged to achieve academic excellence and develop a desire for lifelong learning in our diverse, but highly connected world.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

2021-22 Quality, Currency, Availability of Textbooks and Other Instructional Materials

Covina-Valley Unified School District ensures that textbooks and materials are sufficient, current and available for each student in all core classes. Covina-Valley Unified School District held a Public Hearing in the fall of 2021 and determined that each school within the District has sufficient and good quality textbooks, instructional materials, and science lab equipment, pursuant to the settlement of Williams vs. the State of California. All students, including English Learners are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom or to take home. The governing Board approves all textbook adoptions for grades TK-12, which includes verification that instructional materials are aligned with California Content Standards and the State Frameworks.

School Facility Conditions and Planned Improvements

Rowland Avenue Elementary School was built in 1958 and modernized in 1993. Facilities are situated on 10.3 acres and span more than 50,000 square feet. They consist of permanent and portable classrooms, a cafeteria, administrative offices, restrooms, and storage rooms. Recent improvements at the school include a freshly painted kitchen, new carpet in eight classrooms and the office, and a few hundred linear feet of chain link fence to enclose our Kindergarten playground. In August of 2015 the playground and parking lots were slurry sealed, and traffic/parking markings and curbs were painted. The facility strongly supports teaching and learning through its ample classrooms and playground space.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

SARC Reporting in the 2020-2021 School Year Only

Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

Options

Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2019-2020 data cells with N/A values indicate that the 2019-2020 data are not available due to the COVID-19 pandemic and resulting summative test suspension. The Executive Order N-30-20 was issued which waived the assessment, accountability, and reporting requirements for the 2019-2020 school year.

The 2020-2021 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-2021 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-2021 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-2021 school year to other school years.

CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

The 2019-2020 data cells with N/A values indicate that the 2019-2020 data are not available due to the COVID-19 pandemic and resulting summative testing suspension. The Executive Order N-30-20 was issued which waived the assessment, accountability, and reporting requirements for the 2019-2020 school year.

For any 2020-2021 data cells with N/T values indicate that this school did not test students using the CAASPP Science.

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2020-21 California Physical Fitness Test Results

Due to the COVID-19 crisis, the Physical Fitness Test was suspended during the 2020-2021 school year and therefore no data are reported and each cell in this table is populated with "N/A."

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2021-22 Opportunities for Parental Involvement

Parents and the community are very supportive of the educational program at Rowland Avenue Elementary School. Numerous programs and activities are enriched by the generous contributions made to our school by a very special philanthropist we fondly refer to as our "Grandparent" and by the following groups and organizations: Rowland PTA, Best Buy, Hometown Buffet, Norm's, In-N-Out, Sizzler Restaurant, Wells Fargo, Target, Coca Cola, Pizza Hut, and McDonalds.

The school holds many events throughout the school year in which parents and community members can get involved. These events include Back-to-School Night, Parent Help Center, Classroom volunteers, PTA Room Parents, Family Movie Night, school site council, PTA committees such as yearbook, Spirit and Pride sales, Pennies for Renaissance, Box Tops, School Newsletter, Morning Reading Club, and parent education trainings. Information is sent home in both Spanish and English through fliers, monthly calendars and newsletters. Reminders are posted on the school marquee.

Parents who wish to participate in our leadership teams, school committees, school activities, or become a volunteer may contact our school office at (626) 974-4700.

C. Engagement

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

Suspensions and Expulsions

This table displays suspensions and expulsions data collected between July through June, each full school year respectively. Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

| Subject | School 2018-19 | School 2020-21 | District 2018-19 | District 2020-21 | State 2018-19 | State 2020-21 |
|--------------------|-------------------|-------------------|---------------------|---------------------|------------------|------------------|

| Expulsions | 0.00 | 0.00 | 0.09 | 0.00 | 0.08 | 0.00 |

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-2020 suspensions and expulsions rate data are not comparable to other year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to other school years.

2021-22 School Safety Plan

Safety of students and staff is a primary concern at every school throughout the District. Each school complies with laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. The school's disaster preparedness plan includes steps for ensuring student and staff safety during a disaster. Fire and disaster drills are conducted regularly throughout the school year. Each school annually participates in the "Great California ShakeOut". The school's Safe School Plans are reviewed annually by a law enforcement officer (usually our School Resource Officers from West Covina and Covina Police Departments). The document is "fluid" and updates are completed as needed. For example, updates are completed if a school discipline policy is added or modified, changes are made to the campus map, additions and/or modifications are made to the telephone trees, etc. All visitors must check in at the school office and wear a visitor badge while on school grounds. During lunch, recesses, and before and after school, staff members supervise students and school grounds, including the cafeteria and playgrounds, to ensure a safe and orderly environment. The Comprehensive School Safety Plan was developed by administrators, other school staff members, and Los Angeles County Office of Education staff members. It is reviewed, approved, and evaluated by the School Site Council in cooperation with local law enforcement in order to comply with Senate Bill 187 of 1997. The plan provides students and staff a means to ensure a safe and orderly learning environment. Components of the Comprehensive School Safety Plan include the following: child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe ingress and egress from school, sexual harassment policy, and suspension and expulsion policies. The plan is reviewed annually with school staff. An updated copy is available to the public at the school and District Office.

Professional Development

Covina-Valley provides over 50 days of dedicated professional development each year. Professional development aligns with the Local Control Accountability Plan (LCAP), Common Core State Standards, student needs, and professional needs. Professional Development is provided during the school day and on modified Tuesdays.

The district provided professional development in the following areas:

- * Lindamood-Bell (12 days)
- * UCI Math (7 days)
- * Principal Workshops (20 days)
- * AVID (2 days)
- * Illuminate DnA (2 days)
- * Signs of Suicide (4 days)
- * Special Education (1 day)
- * Technology (1 day)
- * 6-12 Writing (2 days)

This table displays the number of school days dedicated to staff development and continuous improvement.

2020-21 Local Accountability Report Card (LARC) Addendum

Local Accountability Report Card (LARC) Addendum

2020-21 Local Accountability Report Card (LARC) Addendum Overview

On July 14, 2021, the California State Board of Education (SBE) determined that the California Department of Education (CDE) will use the SARC as the mechanism to conduct a one-time data collection of the LEA-level aggregate test results of all school's local assessments administered during the 2020–2021 school year in order to meet the federal Every Students Succeeds Act (ESSA) reporting requirement for the Local Educational Agency Accountability Report Cards (LARCs).

Each local educational agency (LEA) is responsible for preparing and posting their annual LARC in accordance with the federal ESSA. As a courtesy, the CDE prepares and posts the LARCs on behalf of all LEAs.

Only for the 2020–2021 school year and the 2020–2021 LARCs, LEAs are required to report their aggregate local assessments test results at the LEA-level to the CDE by populating the tables below via the SARC. These data will be used to meet the LEAs' federal requirement for their LARCs. Note that it is the responsibility of the school and LEA to ensure that all student privacy and suppression rules are in place when reporting data in Tables 3 and 4 in the Addendum, as applicable.

The tables below are not part of the SBE approved 2020–2021 SARC template but rather are the mechanism by which these required data will be collected from LEAs.

For purposes of the LARC and the following tables, an LEA is defined as a school district, a county office of education, or a direct funded charter school.
