Ben Lomond Elementary School
2021-2022 School Accountability Report Card
(Published During the 2022-2023 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview	By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC. For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at https://www.cde.ca.gov/ta/ac/sa/ For more information about the LCFF or the LCAP, see the CDE LCFF web page at https://www.cde.ca.gov/fg/aa/lc/ For additional information about the school, parents/guardians and community members should contact the school principal or the district office.
DataQuest	DataQuest is an online data tool located on the CDE DataQuest web page at https://dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).
California School Dashboard	The California School Dashboard (Dashboard) https://www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.
Internet Access	Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2022-23 School Overview

Ben Lomond Elementary School is located in the City of Covina between the cities of Glendora and West Covina. Ben Lomond Elementary School opened in 1955 and it was modernized during the 1994-1995 school year. Beautification projects continue on campus and include a new mural, cafeteria renovation and two gardens. Ben Lomond has an enrollment of approximately 440 students in grades TK-5. There are eighteen General Education classrooms, three Deaf Hard of Hearing classes, one primary Specialized Academic Instruction classroom, and one upper-grade Specialized Academic Instruction classroom. The school is part of the Covina-Valley Unified School District, which includes nine elementary schools serving grades TK-5, three middle schools serving grades 6-8, three comprehensive high schools, and one alternative school. Ben Lomond Elementary School provides students with learning opportunities focused on developing each student's knowledge and skills in literacy, science, social studies, computer science, technology, engineering, the arts, and math. Ben Lomond is recognized as a school that offers students a rigorous and well-rounded curriculum and a high-quality character development program. Ben Lomond was recognized as a 2018 California Distinguished School and also received the following awards: California Exemplary Arts Education Award, California Exemplary Physical Activity, Nutrition Education Program, and Title I Academic Achievement School.

Ben Lomond is comprised of various diverse groups. The language fluency population of students is as follows: Initially Fluent English Proficiency students 3.9%; Reclassified Fluent English Proficiency students 11.2%; English Language Learners 13.3%; and English-only students 71.6%. The socio-economically disadvantaged student population is 79%. Students at Ben Lomond have a diverse ethnic heritage represented by 78% Hispanic, 7% White, 5% Asian, 4% African-American, 4% Filipino, 1% Multi-Ethnic, and 1% Native American students. Approximately 3% of the student population participates in the Gifted and Talented Education (GATE) program, and 15% of students receive special education services. Ben Lomond Elementary is a Title I Schoolwide Program school.

Ben Lomond's teaching staff includes general education teachers, special education teachers, instrumental/choral music teachers, physical education teachers, and a Title I Specialist. All teachers are credentialed and have assignments within their credential authorization. Advanced degrees are held by 84% of the certificated staff. All teachers hold CLAD certificates. Additional personnel includes the school principal, secretary, office clerk, custodian, food service staff, instructional aides, school helpers, and playground supervisors. In addition, a psychologist, social worker, elementary counselor, health aide, school nurse, speech and language pathologist, and adaptive physical education teacher are available to provide support in meeting the academic and social-emotional needs of the students. A crisis response team is also available. Support and

resources are available for Mckinney-Vento families and members of the foster youth. ASES is offered during after-school hours for students in grades 1-5. It is a free after-school program that provides students with learning opportunities beyond the school day. Kids Korner provides before and after-school care for a fee for students in grades TK-5.

Ben Lomond Elementary is an AVID Elementary School. While creating a college-going culture, it is essential that Ben Lomond students in grades TK-5 use their 21st Century skills of collaboration, critical thinking, creativity, and communication.

Ben Lomond's essential priority is to increase the achievement of all students in the area of English Language Arts (ELA), in the area of mathematics, and in the Core. The school community also places an emphasis on the development of a college-going culture for all students, on character education, on STEAM (Science, Technology, Engineering, the Arts, and Math) learning opportunities, and on an increase of parent involvement. The school's student-centered educational program empowers students to develop academically, emotionally, and socially for the purpose of achieving academic success. Grade-level teams of teachers collaborate to analyze data and to provide appropriately targeted instruction to accelerate student learning. The Title I Specialist provides focused enrichment in English Language Arts to students. Furthermore, Ben Lomond meets the needs of all students by teaching concepts effectively the first time that they taught to students, by implementing a Response to Intervention plan, which addresses universal support, as well as strategic and intensive intervention. Programs that are being codified at Ben Lomond include: Focused Schools, i-Ready Reading and Math, Thinking Maps, and Write from the Beginning and Beyond. Ben Lomond's staff members collaborate at high levels to ensure that all students are receiving an exceptional education.

BEN LOMOND VISION STATEMENT
Our vision is for all students and community members associated with Ben Lomond Elementary School to be scholars. Scholars want to achieve, learn, cooperate, and accept responsibility through the development of self-discipline and leadership in our diverse school community.

BEN LOMOND MISSION STATEMENT
Our mission is for all students to develop responsibility, achieve literacy, learn problem-solving skills through a rigorous curriculum, and become lifelong learners in a safe and nurturing environment. This is achieved through the reciprocal relationship between Ben Lomond Elementary School and the community, which includes students, staff members, parents, businesses, and public agencies.

2022-23 Quality, Currency, Availability of Textbooks and Other Instructional Materials

Covina-Valley Unified School District ensures that textbooks and materials are sufficient, current and available for each student in all core classes. Covina-Valley Unified School District held a Public Hearing in the fall of 2022 and determined that each school within the District has sufficient and good quality textbooks, instructional materials, and science lab equipment, pursuant to the settlement of Williams vs. the State of California. All students, including English Learners are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom or to take home. The governing Board approves all textbook adoptions for grades TK-12, which includes verification that instructional materials are aligned with California Content Standards and the State Frameworks.

School Facility Conditions and Planned Improvements

Ben Lomond Elementary School was built in 1955 and modernized in 1994. Facilities are situated on 9.3 acres and span nearly 43,000 square feet. They consist of permanent and portable classrooms, a multipurpose room, basketball and volleyball courts, administrative offices, restrooms, and storage rooms. Facility improvement projects at Ben Lomond Elementary School include a new Library Media Center with a state-of-the-art computer laboratory, wireless internet and an amplification system installed. In July 2008 parking lots were patched, slurry sealed and all traffic/parking markings and curbs were painted. The campus exterior was repainted and all portable classrooms received new carpet in the Summer of 2014. The facility strongly supports teaching and learning through its ample classrooms and playground space.

| **B. Pupil Outcomes** | **State Priority: Pupil Achievement** |

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments
(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).
4. **College and Career Ready**
   The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

SARC Reporting in the 2020-2021 School Year Only
Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

Options
Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2020-21 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-21 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-21 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-21 school year to other school years.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2020-21	School 2021-22	District 2020-21	District 2021-22	State 2020-21	State 2021-22

2021-22 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

2021-22 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results.   Due to changes to the 2021-22 PFT administration, only participation results are required for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Grade Level	Component 1: Aerobic Capacity	Component 2: Abdominal Strength and Endurance	Component 3: Trunk Extensor and Strength and Flexibility	Component 4: Upper Body Strength and Endurance	Component 5: Flexibility

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2022-23 Opportunities for Parental Involvement

Parents and the community are supportive of the educational program at Ben Lomond Elementary School. Numerous programs and activities are enriched by the generous contributions made by the following groups and organizations: Ben Lomond's Parent Teacher Association (PTA), Operation School Bell, Operation Santa Clothes, Covina Library, District Children's Center, Covina Police Department, McDonald's, Shakey's, Circle K, Merging Vets & Players, Chick Fil A, McKinley Children's Center, Covina Sunrise Rotary, In-N-Out, the Bakken Family Grant, and many other local businesses and agencies.

The strong partnership that exists between the school and the community at large is the key to the school's increase in academic achievement. Ben Lomond boasts of an active PTA and parents who volunteer in classrooms and in the Library Media Center daily. Parents participate in Coffee with the Principal meetings, the School Site Council, and the English Language Advisory Committee. The school holds many events throughout the school year in which parents and community members can get involved. These events include: PTA family nights, PTA fundraisers, grade-level Parent Education programs, Parent Teacher Association (PTA) meetings, family reading nights, family math nights, the Science Olympiad, service projects, Kindergarten orientation parent meeting, Title I meeting, Back to School Night, Open House, and morning reading time in the library. The Principal's News Bulletin, the Quarterly PTA Newsletter, school-wide phone messages to Ben Lomond families, updated information on the school's website, and various flyers are sent home throughout the year to keep parents informed of these events.

Parents who wish to participate in Ben Lomond Elementary School's leadership teams, school committees, school activities, or become volunteers may contact the school office personnel at (626) 974-4100.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

Suspensions and Expulsions

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-20 suspensions and expulsions rate data are not comparable to other year data because the 2019-20 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-20 school year compared to other school years.

2022-23 School Safety Plan

Safety of students and staff is a primary concern at every school throughout the District. Each school complies with laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. The school's disaster preparedness plan includes steps for ensuring student and staff safety during a disaster. Fire and disaster drills are conducted regularly throughout the school year. Each school annually participates in the "Great California ShakeOut". The school's Safe School Plans are reviewed annually by a law enforcement officer (usually our School Resource Officers from West Covina and Covina Police Departments). The document is "fluid" and updates are completed as needed. For example, updates are completed if a school discipline policy is added or modified, changes are made to the campus map, additions and/or modifications are made to the telephone trees, etc. All visitors must check in at the school office and wear a visitor badge while on school grounds. During lunch, recess, and before and after school, staff members supervise students and school grounds, including the cafeteria and playgrounds, to ensure a safe and orderly environment.

The Comprehensive School Safety Plan was developed by administrators, other school staff members, and Los Angeles County Office of Education staff members. It is reviewed, approved, and evaluated by the School Site Council in cooperation with local law enforcement in order to comply with Senate Bill 187 of 1997. The plan provides students and staff a means to ensure a safe and orderly learning environment. Components of the Comprehensive School Safety Plan include the following: child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe ingress and egress from school, sexual harassment policy, and suspension and expulsion policies. The plan, which includes supporting classrooms, school & community is reviewed annually with school staff. As well, is reviewed, updated at our School Site Council meeting(s) in October, 2022. An updated copy is available to the public at the school and District Office.
