2022-2023 School Accountability Report Card
(Published During the 2023-2024 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview	By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.
	- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at https://www.cde.ca.gov/ta/ac/sa/.
	- For more information about the LCFF or the LCAP, see the CDE LCFF web page at https://www.cde.ca.gov/fg/aa/lc/.
	- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.
DataQuest	DataQuest is an online data tool located on the CDE DataQuest web page at https://dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).
California School Dashboard	The California School Dashboard (Dashboard) https://www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.
Internet Access	Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2023-24 Quality, Currency, Availability of Textbooks and Other Instructional Materials

Covina-Valley Unified School District ensures that textbooks and materials are sufficient, current and available for each student in all core classes. Covina-Valley Unified School District held a Public Hearing in the fall of 2023 and determined that each school within the District has sufficient and good quality textbooks, instructional materials, and science lab equipment, pursuant to the settlement of Williams vs. the State of California. All students, including English Learners are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom or to take home. The governing Board approves all textbook adoptions for grades TK-12, which includes verification that instructional materials are aligned with California Content Standards and the State Frameworks.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments
(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready
The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23

2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2023-24 Opportunities for Parental Involvement

Covina-Valley prioritizes Parental Involvement by actively engaging parents in decision-making processes at both the district and school levels. The collaborative efforts include the establishment of School Site Councils, English Learner Advisory Committees (ELAC), District Advisory Council/District English Learner Advisory Committee (DAC/DELAC), and participation in the Local Control and Accountability Plan (LCAP) advisory. In addition, Rowland Avenue parents provide input and feedback through surveys, during Coffee with the Principal, School Site Council meetings, English Language Advisory Committee meetings, and the Title 1 Parent Meeting. Rowland Avenue benefits from a strong PTA and daily volunteers in classrooms and the library. Rowland Avenue staff, parents, and the community engage in a variety of events each year. These events include Parent Teacher Association (PTA) meetings, PTA family nights, PTA fundraisers, parent education programs, family reading and math nights, TK and Kindergarten orientation, the annual Title I meeting, the monthly Spirit and Pride Assembly, Back to School Night, Open House, after school homework help in the library, and more. Through these forums, parents contribute valuable insights, perspectives, and feedback that play a crucial role in shaping the direction of our school and district. 2023-24 School Safety Plan

Safety of students and staff is a primary concern at every school throughout the District. Each school complies with laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. The school's disaster preparedness plan includes steps for ensuring student and staff safety during a disaster. All Rowland Avenue staff and guest teachers receive a reference document entitled, "Rowland Avenue Emergency Procedures." It provides a buddy list and a quick reference to emergency response procedures. Fire and disaster drills are conducted regularly throughout the school year. Rowland Avenue annually registers and participates in the "Great California ShakeOut". Rowland Avenue students, teachers, and staff received training on CVUSD Safety Measures. A Safety Measures training was also share with families. This training included the Standard Response Protocol and an overview of the Centegix Emergency Management System.

Rowland Avenue recognizes social emotional well being as a component of student safety. The District provides each elementary school with a full time counselor and access to a District Social Worker. Rowland Avenue's has a dedicated Wellness Room where students visit during during lunch and recess to take a break, visit the calming corner, and practice social emotional self care. The Wellness Room is also a space where the counselor meets with individuals and groups of students. Our Counselor also visits classrooms to teach RULER, or District social emotional curriculum, and connects families to support services.

Rowland Avenue's Comprehensive School Safety Plan was developed by administrators, school staff members, and Los Angeles County Office of Education staff members. It is reviewed, approved, and evaluated by the School Site Council in cooperation with local law enforcement in order to comply with Senate Bill 187 of 1997. The plan provides students and staff a means to ensure a safe and orderly learning environment. Components of the Comprehensive School Safety Plan include the following: child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe ingress and egress from school, sexual harassment policy, and suspension and expulsion policies. The document is "fluid" and updates are completed as needed. For example, updates are completed if a school discipline policy is modified or if there are any changes made to the campus map. Using our Raptorware system, visitors must check in at the
