Screening and Contact Tracing

The image displays four sequential smartphone screens showing a survey process. Each screen has a status bar at the top showing '12:29' and signal/battery icons. The app icon at the top of each screen is a blue and white logo with the letters 'GV' and 'USD' below it.

- Screen 1:** Displays the title 'This is a daily symptom check. Based on your responses, you will either be approved to come to school or work, or you will be directed to follow other procedures.' Below this is a paragraph: 'By completing the survey and submitting your responses, you agree that the information collected can be used by Covina-Valley Unified School District to provide a safe environment for all. The data will be used solely to determine if you should come to school or work at this time and will be kept confidential.' A blue 'Next' button is at the bottom right.
- Screen 2:** Displays the same title and paragraph as Screen 1. At the bottom, there are two radio button options: 'Yes, I consent' (selected) and 'No, I decline'.
- Screen 3:** Displays the title 'In the past week, have you...' followed by '(Please check all that apply.)'. Below are five checkbox options: 'Been ill.', 'Recently cared for someone who is/was ill', 'Traveled outside the United States within the last 14 days', 'Been in contact with someone who has tested positive for COVID-19', and 'Been contacted by someone about your possible exposure to COVID-19'. The last option is checked. A blue 'Next' button is at the bottom right.
- Screen 4:** Displays the title 'Based on your responses, you are eligible to come to campus today.' Below this is a large green circle with a white checkmark. Underneath the circle, it says 'Status: CERTIFIED' and 'Timestamp: Thursday, October 29th 2:17 PM'. At the bottom is a QR code.
