Hat/beanie policy

Minga

Friendly Reminder:

Our hat/beanie policy, effective Monday, January 13, 2025 states that students will only be permitted to wear:

- South Hills High School hats
- SHHS Hats can be purchased at Student Union for \$20.00
- Solid color hats (no designs, logos, or names)

We appreciate your understanding and support as we implement this policy to maintain consistency with school standards.

Students are reminded to use their Minga account when leaving class. Whether you're heading to the restroom, counseling office, wellness center, or elsewhere, your Minga pass should be active.

Campus supervisors will be checking to ensure all students out of class have their Minga passes active. If a student's Minga is not active, campus supervisors will escort them back to class.

Lunch, 6th and 7th Boundary

This is a reminder that during lunch, students should remain within the designated school boundaries. Students are not permitted upstairs in the 100s/200s building or down at the field level. This also applies to students with a free 6th or 7th period who are on campus.
