SUBJECT: SPECIFICATIONS AND DRAWINGS

THIS ADDENDUM IS ISSUED AS PART OF THE CONTRACT DOCUMENTS FOR THIS PROJECT AND AMENDS ONLY THOSE ITEMS SPECIFICALLY DEFINED HEREIN. THIS ADDENDUM MUST BE ATTACHED TO THE INSIDE FRONT COVER OF YOUR SET OF SPECIFICATIONS.

In preparing bids, the bidder shall take into consideration the following items. Information shown herein supersedes requirements issued under previous date.

ITEM NO. 1:

The following question was received: The map shows entire school, for example Covina High School it says parking lot as marked in the site photo map marked areas. Nothing is marked it is just an overall, but there is playground area that I see that is asphalt as well. I just want to be 100% clear that it's just the parking lot, that the playgrounds on them are not included.

Clarification: All **asphalt** areas shown on the site photo maps of the **parking lots and playgrounds** are to be sealed with two coats of slurry seal Guard Top or equivalent except for the marked areas on the enclosed maps of Covina and Northview High School. Once both coats of slurry seal has completely cured, stripe all asphalt with exact reproductions of existing striping, lettering and symbols.
